

# Loop 50 - Les Puy

Hautes-Alpes

(Emmanuel DANJOU)

Looking for something longer? The Puy loop can be combined with the Pins and Fontainiers loops. Amateurs beware!

This pretty Gravel loop on the southern flank of Mont Guillaume passes through a string of hamlets that make up the villages of Puy-St-Eusèbe and Puy-Sanières. The second part of the route climbs into the forest. The picnic stop at Belvédère de la Para is ideal.
