

Loop 58 - Tour of Crévoux

Hautes-Alpes

(Kinaphoto)

Crévoux is the highest village in the Communauté de Commune de Serre-Ponçon. Enjoy the peace and quiet, the shady slopes and the hamlets along the eponymous stream.

An extension of the Méale route, the Crévoux loop continues under the larches on the side of the Crévoux valley. It passes through a series of viewpoints and a string of hamlets before returning to the village-resort.
